

INGRAHAM M. GLACIER 1975

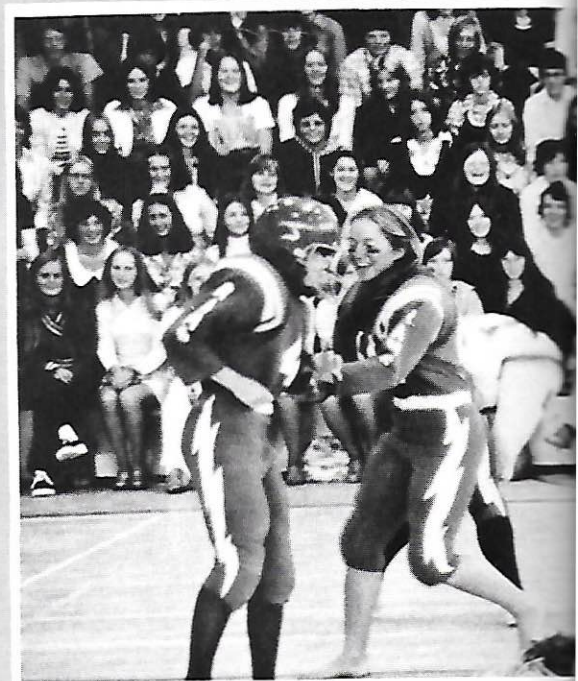

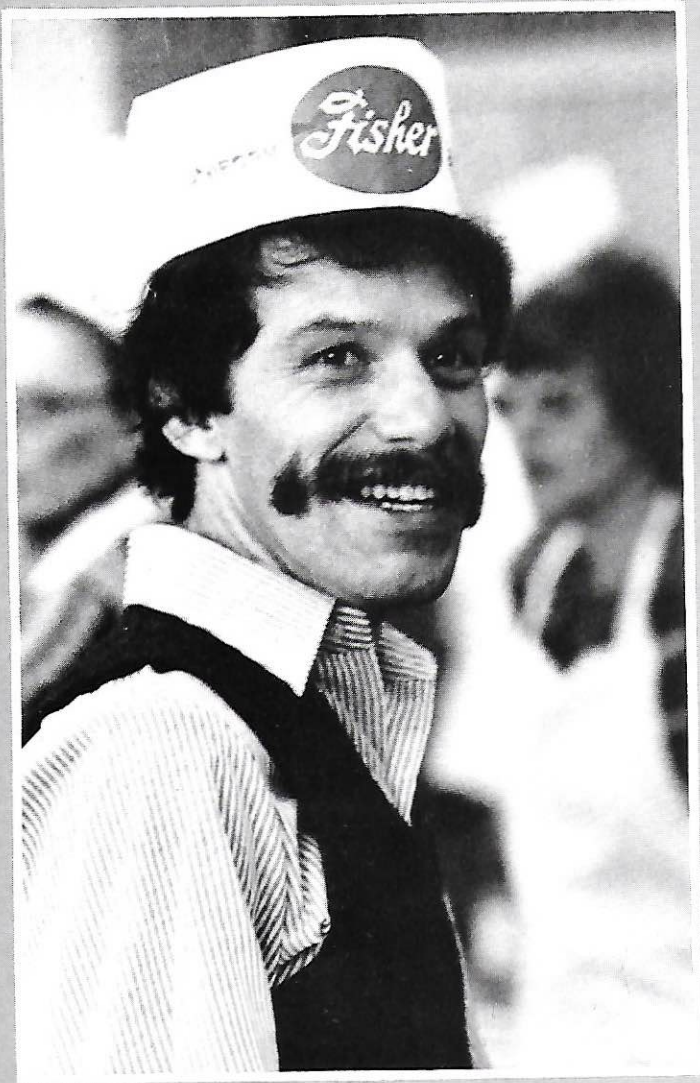

GLACIER

*Ingraham High School
Seattle, Washington
Volume XVI*

*The Universe is a union
of all cosmic entities.
Our world is not a planet,
It is a feeling,
And every person
Is an integral part of it.*

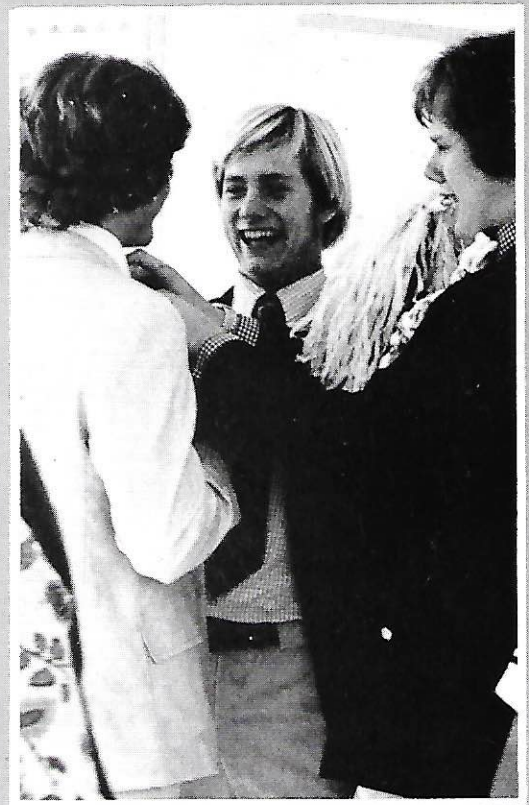

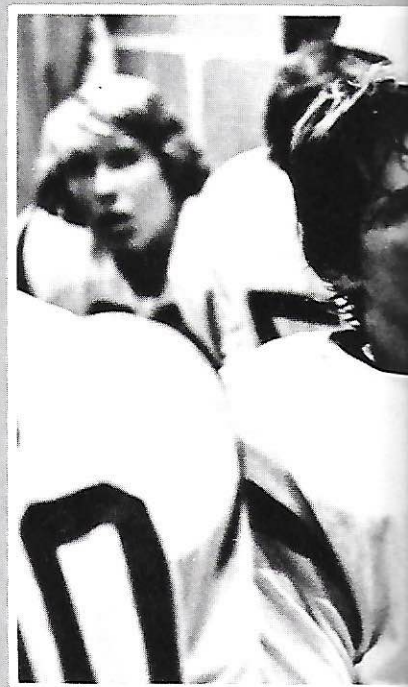

*And the seasons
They go round and round
And painted ponies go up and down
We're captives on a carousel of time
We can't return
We can only look
Behind at where we came
And go round and round and round
In the circle game . . .*

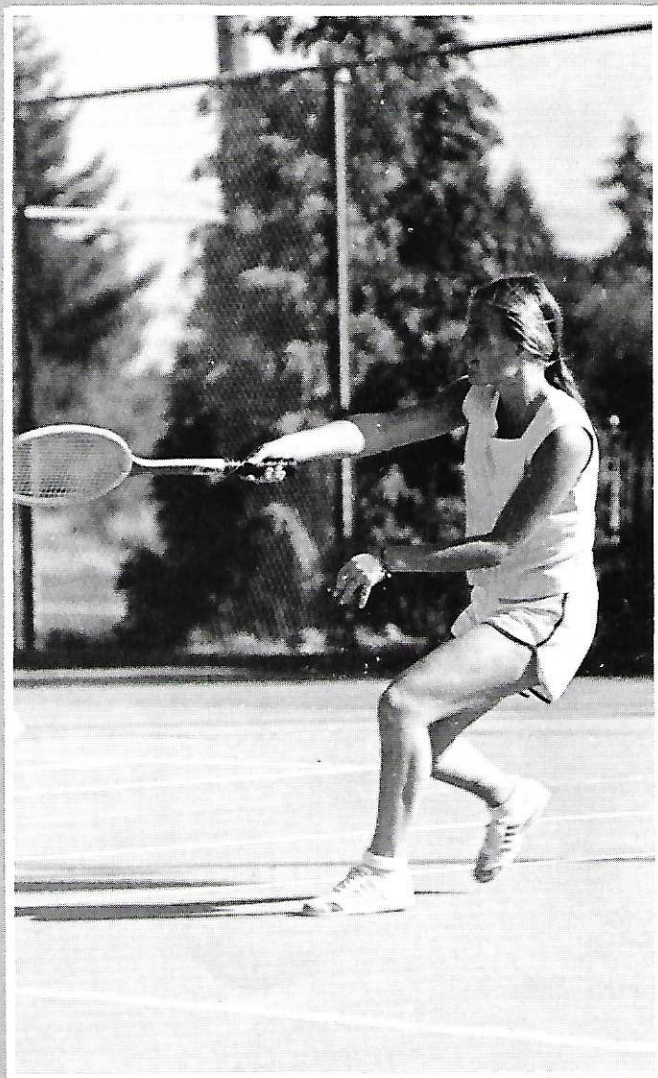

Joni Mitchell

*There is so much diversity
in our aspirations
and pastimes, but it is
the power of our
individuality that
keeps us united.*

Ron Barker

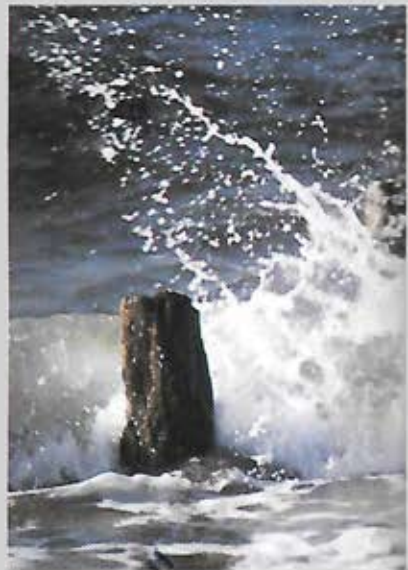

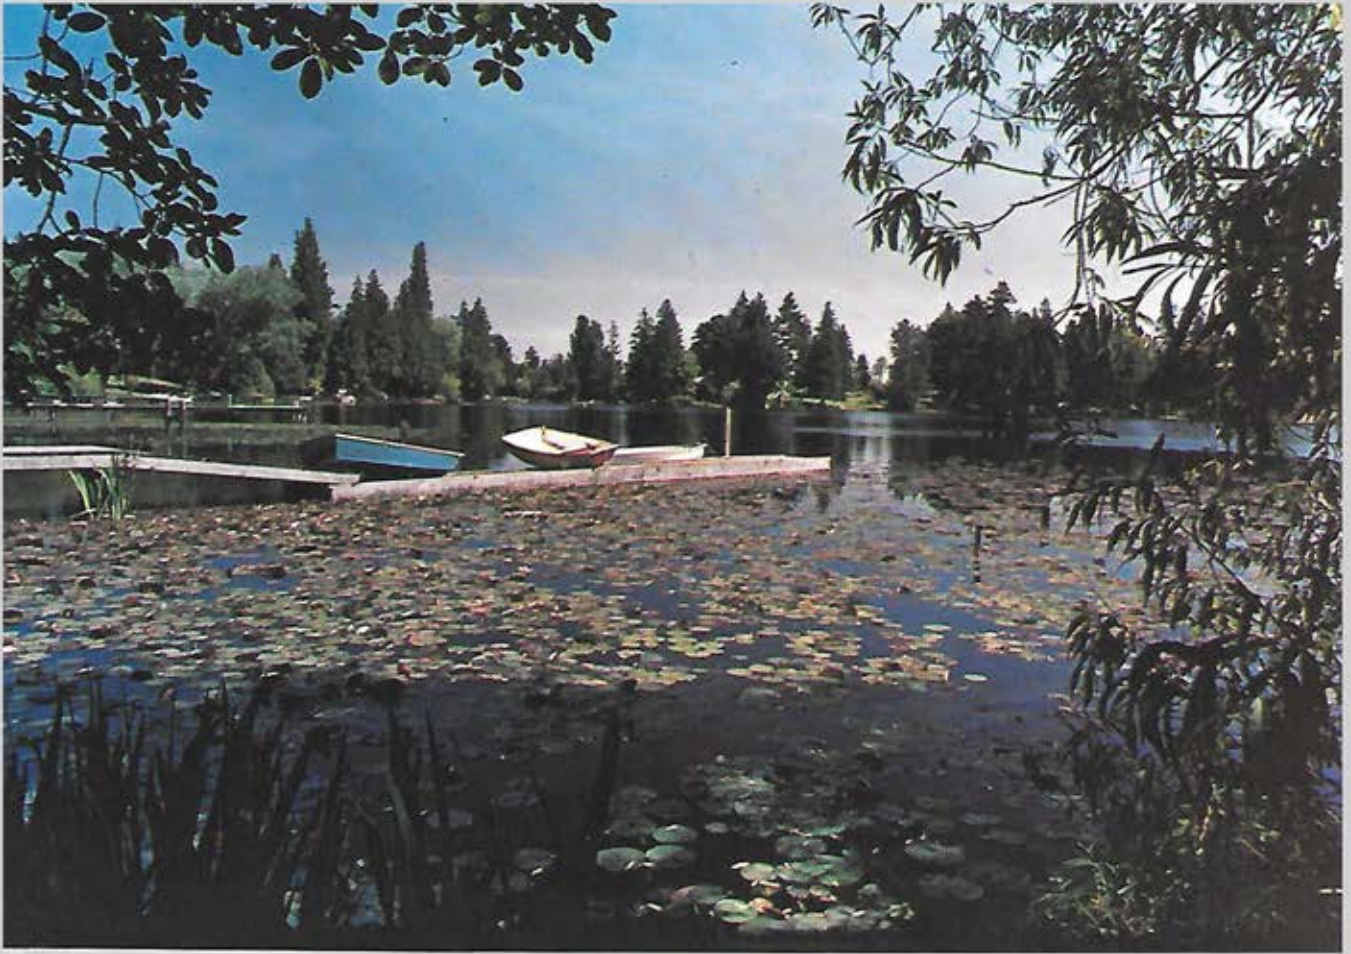

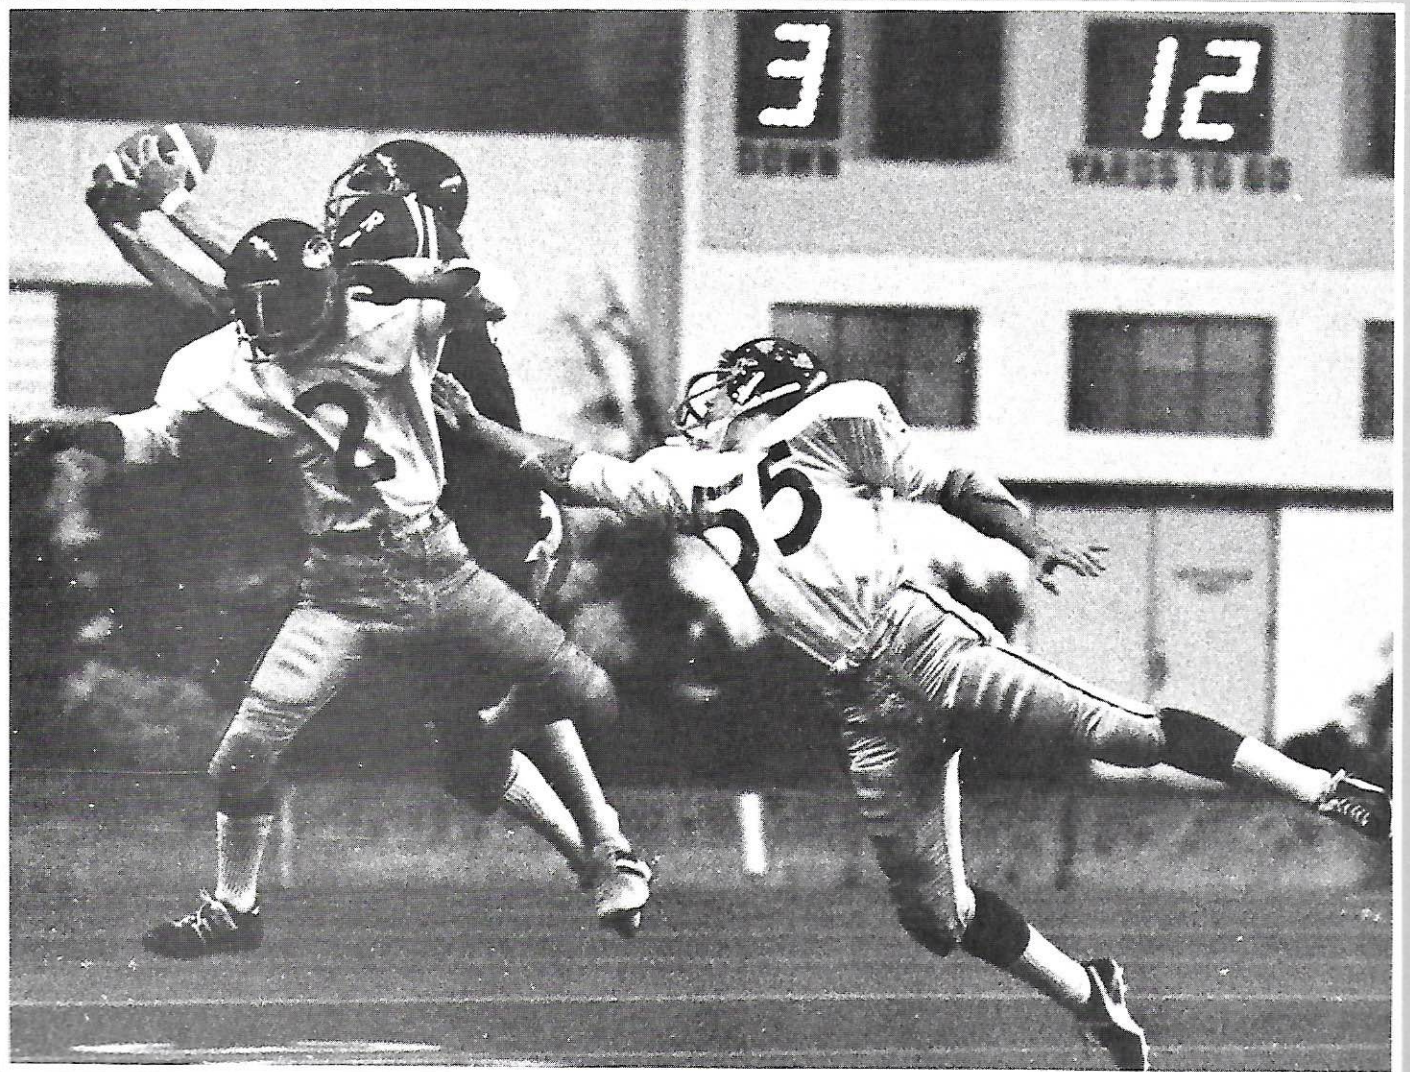

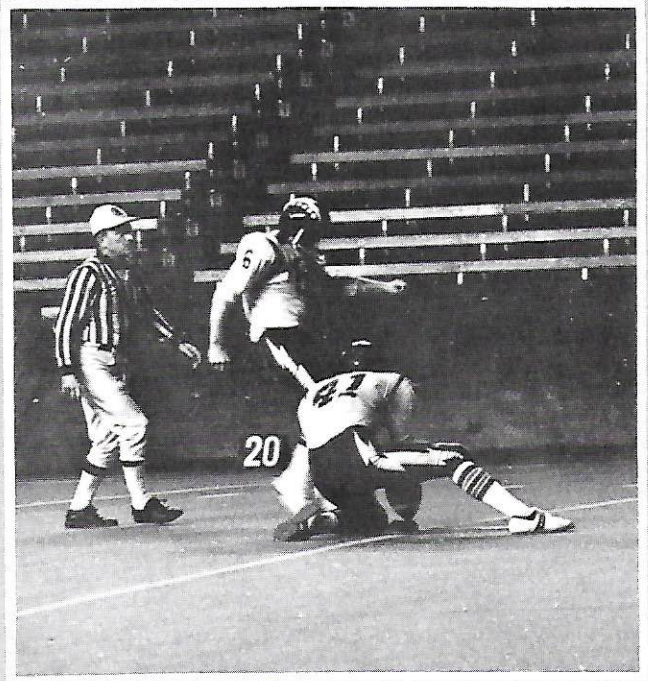

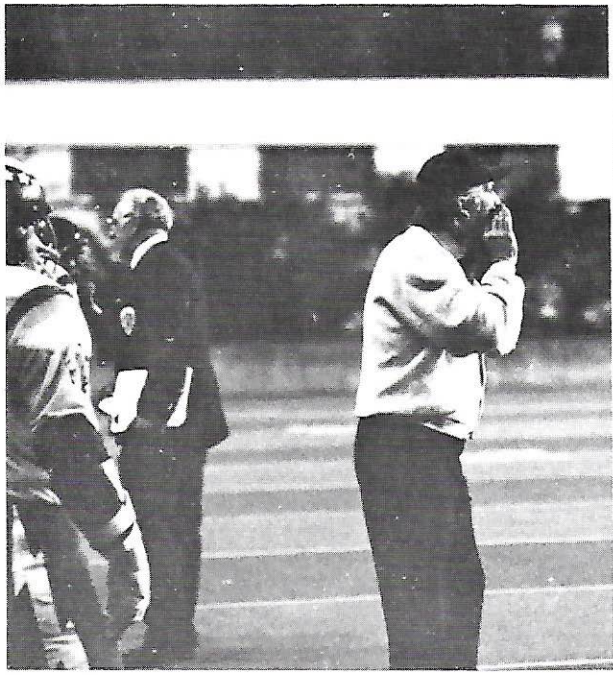

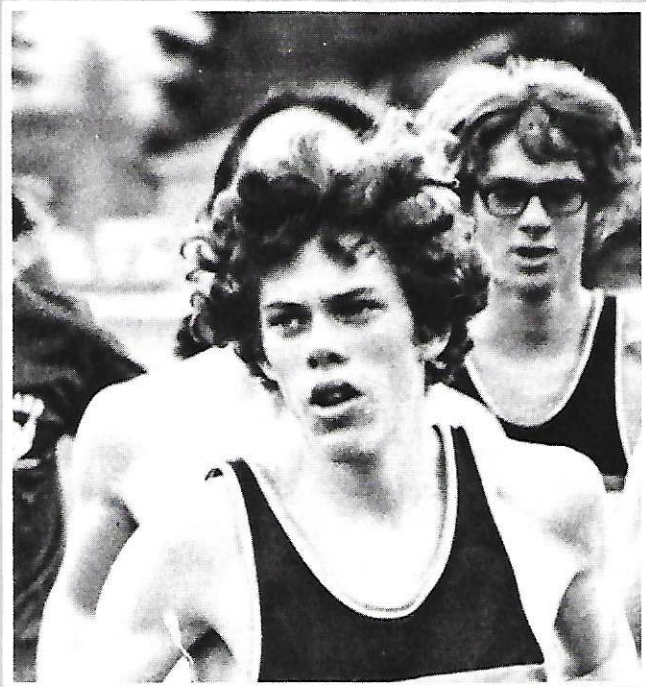

*Man's unity with himself
Must transcend to all aspects of life.*

Cathy Harden

*Today was a special day . . . as days go,
For we were preserved in unity.*

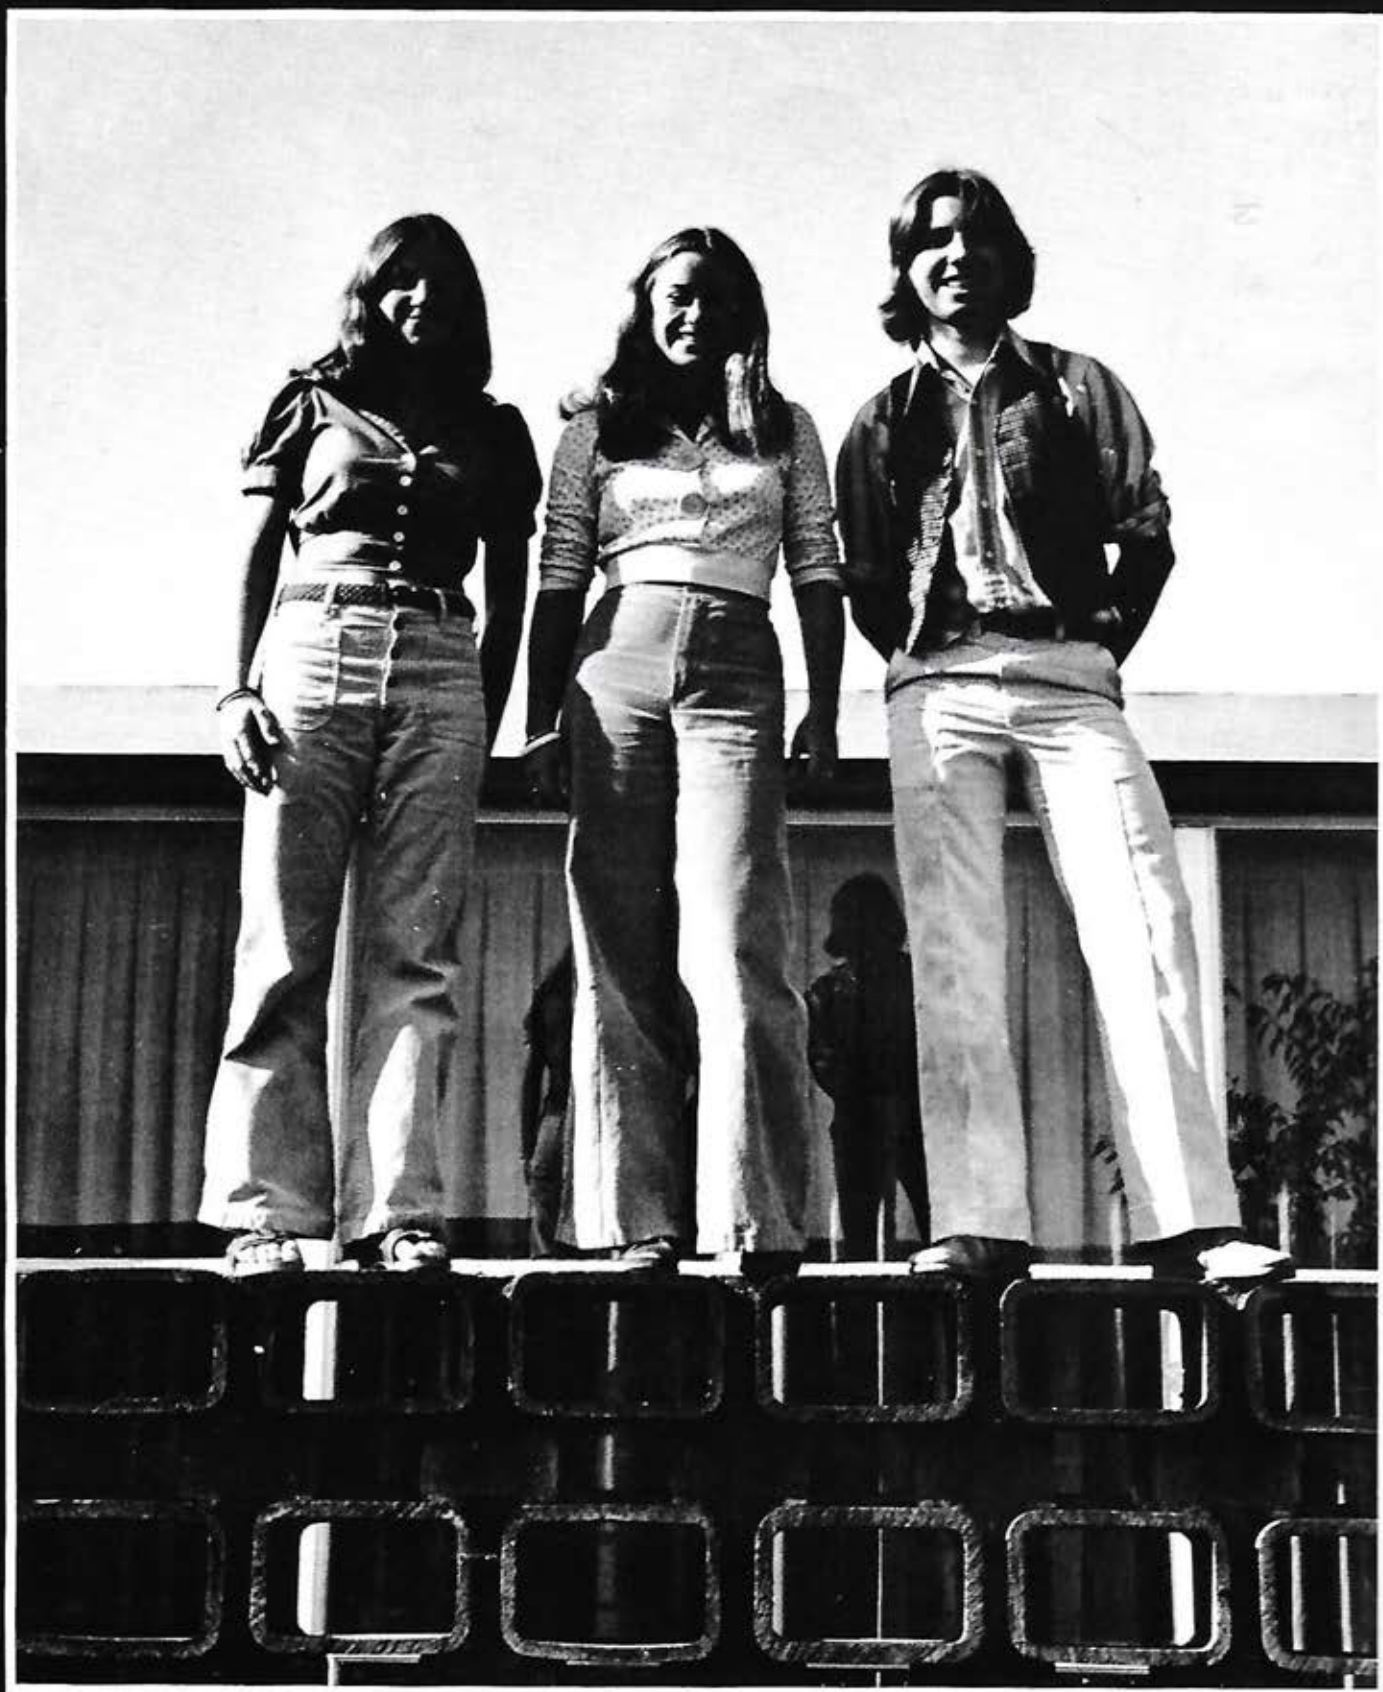

Ron Barker

*And if you go
then who's to guide you
If I knew the way
I would take you there*

*Still I can recall the happy times,
Laughing arm and arm-so alive...
Was it years ago or just a day,
When you turned to me and said good-bye...*

*Old buildings, like memories,
Grow more precious with age.*

SEASONS HIGHLIGHTS

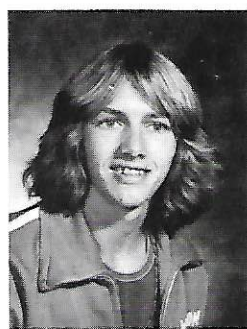

This was a year of both victory and defeat for the Ingraham Cross Country team. Coming off of a 7th place finish in 1973, the Rams were determined to make a better showing in 1974. Guided by Coach Svidran and captained by senior Jim Cline, Ingraham had a successful dual meet season, winning 8 of their 9 meets. The Rams went on to take 4th in Metro and 6th in District 10, with Jim Cline taking first place honors in both races.

The 1974-75 season opened with the team having strong hopes of taking the North. However because of an untimely loss to Lincoln, we were forced to settle for second. During the State Tournament, the loss to Anacortes was disappointing, but everyone came back strong to win two and place Eighth in State.

Special thanks to our managers, Pat Daily, Tom and Doug Goodspeed, Luke Palmer, and Mark Freitag, along with Mike Moore. Their many hours of work have been appreciated and needed. Terri Beauchemin, Tami Bird, Debbie Wilkinson, and Charlene Dean also worked every game keeping statistics for the coaches and players.

The Ram's wrestlers started out the 74-75 wrestling season with a firey new coach Rodger Metzger and finished with another winning season. Star wrestlers Craig Fillerup and Joe Sanford with first places in Metro led the Ram charge. The Rams ended up in 4th place in the Metro Tournament. Coach Metzger said, "Team unity, a good team attitude and hard work was the key to this years winning season."

The 74-75 Soccer team led by ten seniors proved to be a much improved team than those past. Under the direction of second year coach, Steve Mace, the team pulled down a respectable place in the Metro standings. Soccer, a relatively new sport in the league has risen immensely in popularity over the past few years and proves to be a fast moving and exciting sport.

The 1975 Ram team should be serious contenders for the Metro League title. The team has nine returning lettermen led by pitchers Stuart McNair, Brian Kolbe, and John Dyas. Other top players include Henry Hansen, Ken Ostebo, Gene Picchena, Wes Curtis, Jack Bond and Matt Schunke. This years team features aggressive baserunners, good pitching, and long ball hitting, and with some of Ingraham "luck" it could go all the way.

Formed around a nucleus of four returning varsity players, the 1975 Chess Team was possibly the strongest in the history of Ingraham High School. The woodpushers placed third in the State High School Chess Championship, finishing ahead of their arch-rivals from Shoreline.

*Music is the writer
Writing the story of life
Music is the artist
Painting pictures of the earth
And music is a magician
Making all things grow
You're the music of my mind
Picture, magic, and story.*

I get high on life!

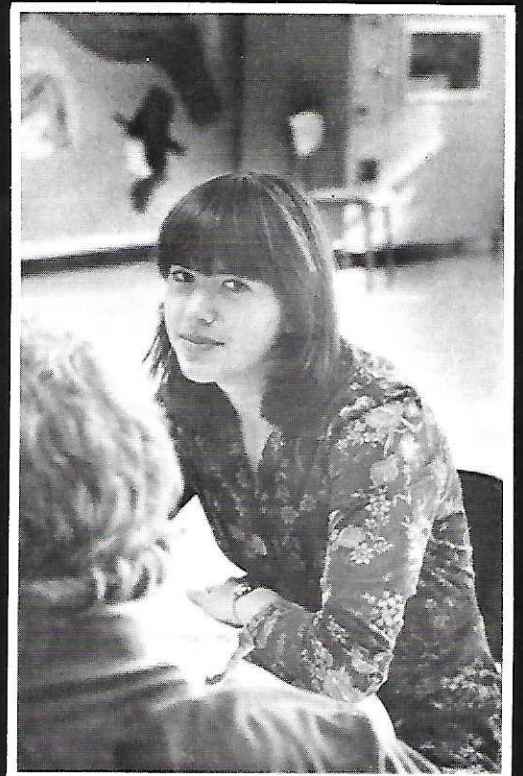

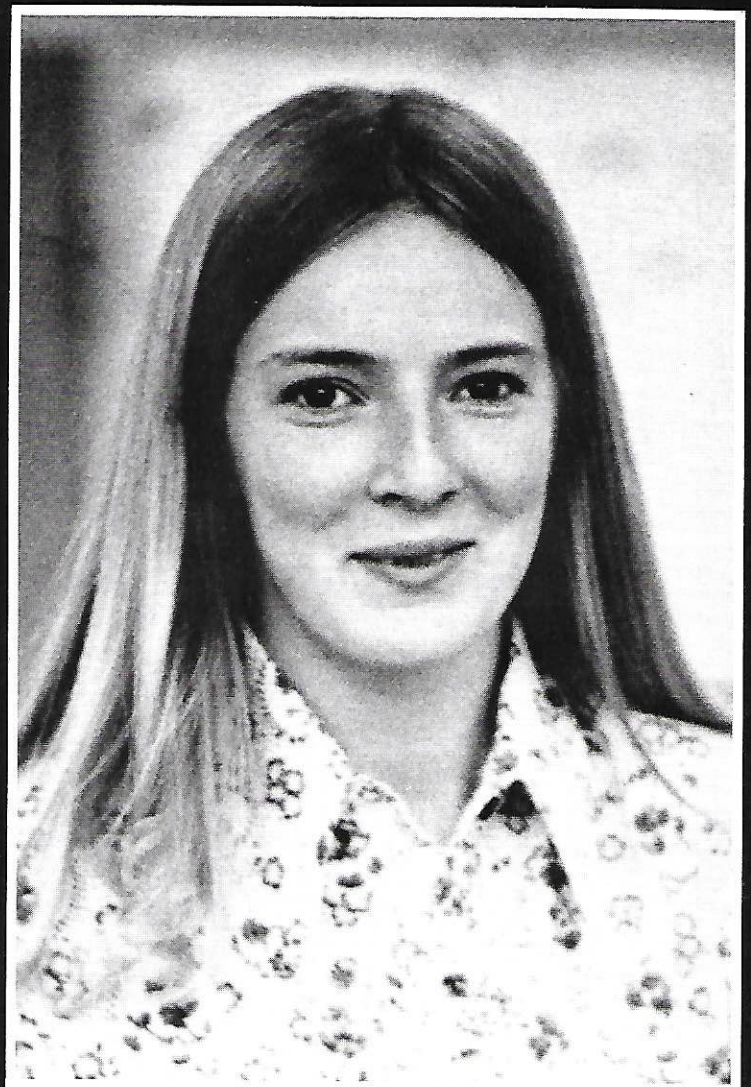

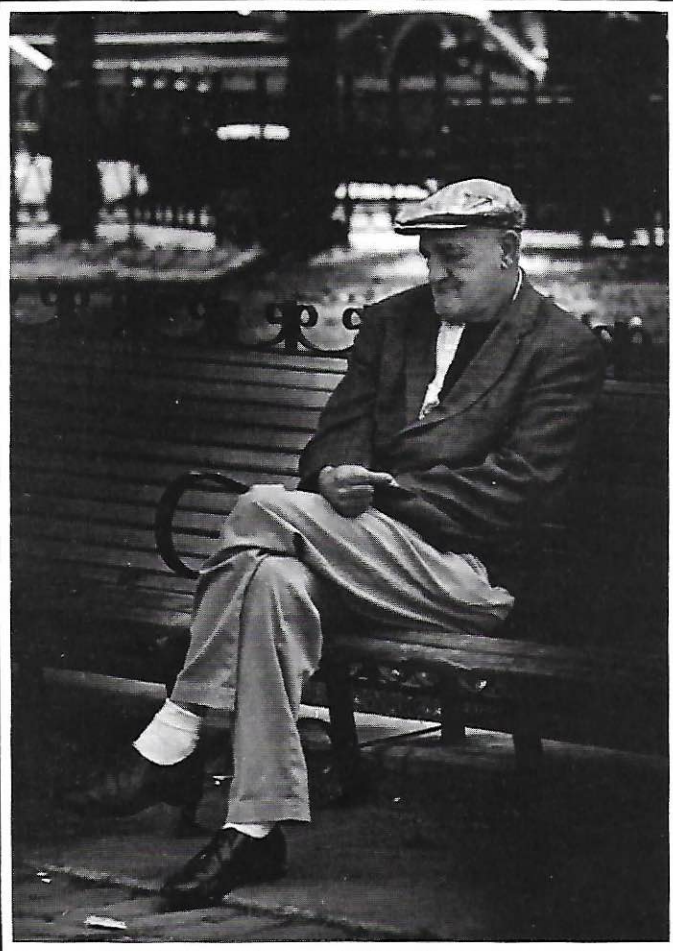

*If I searched the world over
Looking for a friend to call my own—
I'd need only to look
Into the depths of your smile
And see you're the one I need.*

Alice Hatch

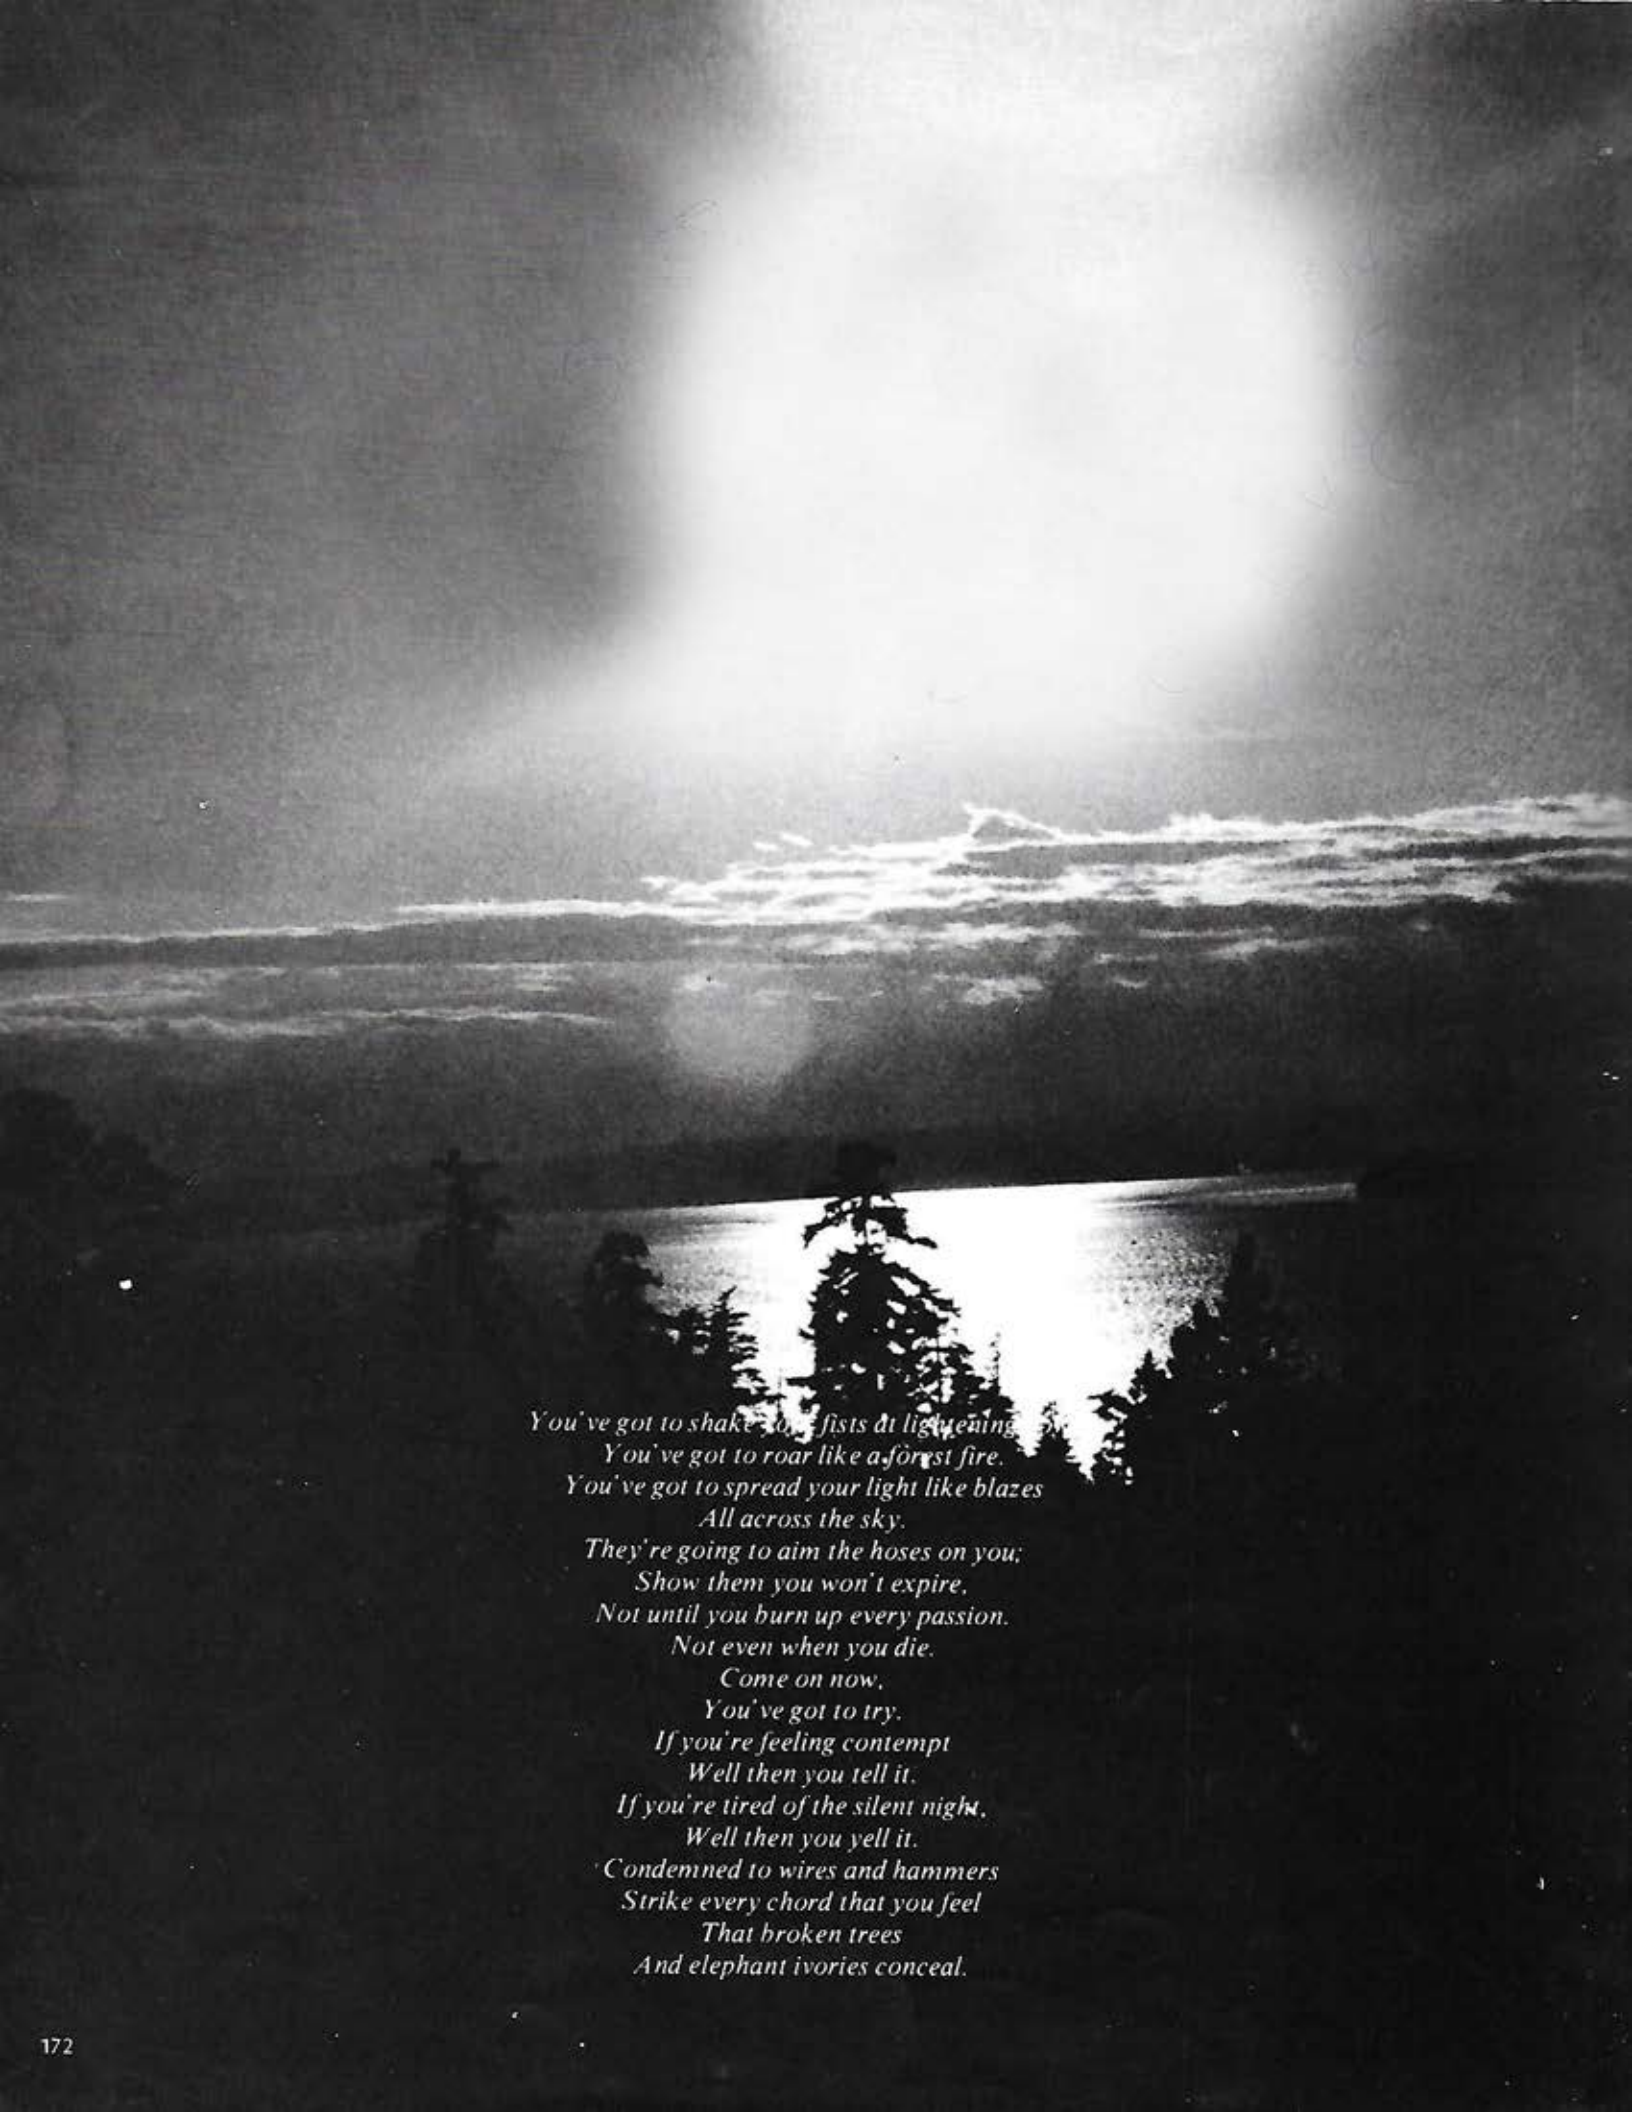

*You may give them your love
but not your thoughts,
For they have their own
thoughts.
You may house their bodies but
not their souls,
For their souls dwell in the
house of tomorrow, which you
cannot visit, not even in your
dreams.
You may strive to be like them,
but seek not to make them
like you.
For life goes not backward nor
tarries with yesterday.*

Kahil Gibran

*You've got to shake your fists at lightning
You've got to roar like a forest fire.
You've got to spread your light like blazes
All across the sky.
They're going to aim the hoses on you;
Show them you won't expire,
Not until you burn up every passion.
Not even when you die.
Come on now,
You've got to try.
If you're feeling contempt
Well then you tell it.
If you're tired of the silent night,
Well then you yell it.
Condemned to wires and hammers
Strike every chord that you feel
That broken trees
And elephant ivories conceal.*
